Dear Parents and Carers,

FORTHCOMING EVENTS

It has been another busy week for us all here at Rogate. However, few have been as hard at it, as our fantastic Year 6 pupils, who have now arrived at the beginning of SATs week! Our Year 2 pupils have also continued their preparations and at this point in the year I think it is important to remember 3 things:

1. We do, of course, want all of our pupils to aspire to academic excellence and to work hard at all times, however...
 2. Any test that you take can only tell you a small piece of information about who you are and the people who mark these tests do not know you at all. You are more than a test, more than a pass or a fail. You are all amazing, unique individuals with your own talents strengths and eccentricities. And finally and most importantly...
 3. No matter how you perform in these tests the staff of Rogate CE Primary School, your school mates and your families will still be incredibly proud of you all.
- I hope you all have a restful weekend.

RSFF – Rogate Fete 9.06.18

The Rogate Fete is to be held on Saturday 9th June and the RSFF will again be running stalls to raise money for the school. We **urgently** need as many volunteers as possible to make this a success so if you can help in any way – setting up, manning a stall or clearing up please see Ms McCarthy in the office. You only need to volunteer an hour or two of your time so please support us! We are also collecting **good quality** children's clothes and toys for one of the stalls. Donations for this and also drinks for the bottle tombola can be left at school.

MS WHERRY – SPONSORED WALK

On Saturday 12th May Ms Wherry and Ozzy will be walking 10km from Goodwood race course across the South Downs way and back to Goodwood. This is an event organised by ACROSS THE DIVIDE for Just Walk. She is raising money for the RSFF to go towards music provisions being provided throughout the school and outdoor play equipment. We would love it if you would support the school by sponsoring them. We will be collecting donations in the weeks leading up to half term and will let you know how they get on and how much is raised. Good luck from all of us!

WORKING PARTY – SUNDAY 20th MAY

The focus of the working party this term is to tidy the grounds and plant some trees to celebrate the 150th anniversary of the school. We will also be creating a prayer labyrinth and reflective area. If you are able to help please see Mrs Garwood or Ms McCarthy in the office.

RED KITES SHARING ASSEMBLY

Red Kites entertained us with a lovely assembly today, where they shared their Maths and Science learning. They also read their stories based on Greek Legends, talked about Greek gods and the powers they possess. Great work Red Kites!

SPOTLIGHT ON SAFEGUARDING

It has come to our attention that some children in our school have been accessing the on line gaming platform Roblox. The school does not feel that this is an appropriate site for primary children to be accessing as there are issues around some games containing murder, guns and other horror themes. Like all multi player online games with user generated content (content built by the players themselves) there is a risk of stranger danger and adult content. The terms and conditions of the site state that it is for children over 13. Please be vigilant and aware of your child's internet use.

ACHIEVEMENTS

We have had some great achievements outside of school this week.
